

# WYNYARD PLACE

## COMMUNITY UPDATE – July 2019

Works for Wynyard Place will continue throughout July, with the following underway:

### Construction Activities

- Construction of the main tower above the station will reach level 4.
- The central lift core with project signage will continue to build to Level 6.
- Permanent structure for Shell House basement levels of the carpark continues.
- Continued restoration of Shell House facade with the installation of the new terracotta blocks in the existing façade is underway.
- The heritage window prototype for Shell House will be completed following restoration of the existing windows, along with the start of installation of copper cladding to façade elements.
- 285 George building works include internal floor removal and new supporting structure.
- The Southern structure infill is ongoing and will be complete in early July.
- Hunter Tunnel finishes will commence in July.

### Pedestrian and Vehicle Access Changes

- Boom gate-controlled entry into Wynyard Lane from 7.00pm nightly continues without issue. Access for additional Wynyard Lane users continue to be added as requested.
- Wynyard Station to George Street (Phase 3) continues to provide pedestrian access utilising the stairs, escalators and lifts. During June the temporary columns through the walkway were removed creating a wider pedestrian zone.
- The Hunter Tunnel is closed until approximately end of October 2019.
- Margaret Street works zone is operational from 7.00am to 7.00pm Monday to Friday and 7.00am to 5.00pm on Saturdays.
- Hours of use of the Carrington Street works zone are 7:00am to 7:00pm Monday to Friday, and 7.00am to 5.00pm Saturdays. The works zone reverts to a taxi rank outside of these hours. Access for non-construction vehicles from the southern end of Wynyard Lane will be maintained throughout the project. Some additional load out works will be performed from Wynyard Lane during the month.
- Material delivery to the project will be ongoing via Cumberland Street entry into Wynyard Lane Car Park.
