

COMMUNITY UPDATE – SEPTEMBER 2016

Wynyard Place Project

Construction will be starting soon on the Wynyard Place project. To keep you up to date, we'll be sending out a monthly update outlining key dates and activities happening on site. During September and October a number of premises surrounding the project will close. We'll be setting up the site and putting up our first tower crane, and there will be some key changes to pedestrian and vehicle pathways around the project. Please see below for more information and start dates for each activity.
